Deadline: for the publication of invitations to tender: 31 December of each year
for the extension of the network of contact points: 31 December 2009

Source: according to the Action Plan of the relevant Operational Program of the New

Hungary Development Plan and the chapter allocated to the Ministry of Economy and Transport of annual central budgets

8. Complex investments creating job opportunities and complex technological investments of small and medium sized enterprises to be established and operating in disadvantaged micro regions, with a growth potential, should be supported by tenders.

In charge: Minister of Economy and Transport
Minister of Local Government and Regional Development

Deadline: for the publication of invitations to tender: 31 March of each year

Source: according to the Action Plan of the relevant Operational Program of the New Hungary Development Plan

9. During the planning and implementation of employment and enterprise development programs, involving institutions providing daytime care for children and alternative services, the participation of mothers with infants in these programs should be promoted.

In charge: Minister of Social Affairs and Labour
Minister of Economy and Transport
Minister of Local Government and Regional Development

Deadline: parallel to the launch of each program

Source: according to the Action Plan of the relevant Operational Program of the New Hungary Development Plan and the chapter allocated to the Ministry of Social Affairs and Labour of annual central budgets

III. Tasks in the field of housing and regional development

1. According to the experiences of the authorization practice of the building authorities, building legislation should be revised so that no new building permits be able to be issued in areas threatened by groundwater, flood or other environmental-health dangers.

In charge: Minister of Local Government and Regional Development
Minister of Environment and Water
Minister of Social Affairs and Labour

Deadline: 31 December 2008

2. The regulation and practice of implementation procedures applied against those arbitrarily moving into flats and services provided by the social benefit system and the child protection institution system should be revised so that the principle in the Act on the protection of children (according to which children may not be separated from their families due to financial reasons only) be enforced.

In charge: Minister of Social Affairs and Labour
Minister of Local Government and Regional Development
Minister of Justice and Law Enforcement

Deadline: 31 December 2008

Source: no substantial resource is needed

3. In the framework of the “No one left behind!” flagship program, complex regional development project targeting the most disadvantaged micro regions and municipalities (in education, culture, employment, social affairs and health care) should be launched, with a special regard to the reduction of segregation in public education and housing.

In charge: Minister of Local Government and Regional Development
Minister of Social Affairs and Labour

Deadline: for the launch of the programs: 30 June 2008

Source: according to the Action Plan of the relevant Operational Program of the New Hungary Development Plan

4. A program should be launched for the rehabilitation of the flats and living environment of segregated urban habitations and quarters left without infrastructure and for the promotion of the employment and social integration of those living there.

In charge: Minister of Local Government and Regional Development
Minister of Social Affairs and Labour

Deadline: for the launch of the programs: 31 December 2008

Source: according to the Action Plan of the relevant Operational Program of the New Hungary Development Plan

5. In order to have environmental injuries reduced in settlements and settlement-like environment, pilot programs promoting a more sustainable way of life and consumption opportunities supporting their dissemination should be launched.

In charge: Minister of Environment and Water
Minister of Local Government and Regional Development

Deadline: 31 December 2009

Source: according to the Action Plan of the relevant Operational Program of the New Hungary Development Plan

6. A timetable should be elaborated in order to eliminate segregation in municipalities (Roma settlements) and in the regions. During the scheduling of programs aiming at the elimination of Roma settlements, those in areas threatened by flood or groundwater have especially to be taken into consideration.

In charge: Minister of Social Affairs and Labour
Minister of Local Government and Regional Development
Minister of Environment and Water
Minister of Education and Culture

Deadline: 31 December 2008

Source: no substantial resource is needed

7. Within the framework of the New Hungary Rural Development Program, in rural parts of the country, during the elaboration of Local Rural Development Strategies to be prepared by local action groups previously recognized, a consultation opportunity should be provided for the National Roma Self-government and to local Roma minority self-governments.

In charge: Minister of Agriculture and Rural Development

Deadline: 31 December 2008

Source: no substantial resource is needed

8. The opportunity of creating model (Roma) agricultural cooperatives in three regions (Northern Hungary, Northern Great Plain and Southern Great Plain) should be considered.

In charge: Minister of Agriculture and Rural Development

Deadline: 31 December 2008

Source: no substantial resource is needed

IV. Tasks in the field of health

1. By involving at least twenty municipalities in one of the most disadvantaged micro regions and at least two thousand disadvantaged persons, programs should be launched for the promotion of the participation at public health examinations (breast cancer and cervix cancer), the use of mobile examination stations, with a special regard to those living in a segregated settlement.

In charge: Minister of Health
Minister of Local Government and Regional Development

Deadline: for the launch of the programs: 30 July 2008

Source: according to the Action Plan of the relevant Operational Program of the New Hungary Development Plan

2. By involving at least twenty municipalities in one of the most disadvantaged micro regions and at least two thousand disadvantaged persons, programs should be launched for the improvement of living quality and of health during which special attention should be paid to those living in the most disadvantaged settlements or a segregated settlements.

In charge: Minister of Health
Minister of Environment and Water
Minister of Local Government and Regional Development

Deadline: for the launch of the programs: 31 July 2008

Source: according to the Action Plan of the relevant Operational Program of the New

Hungary Development Plan

3. The preparation and the implementation of plans for micro regional municipality healthcare should be supported, with a special regard to most disadvantaged micro regions and municipalities. These programs should reach at least forty percent of the population living in disadvantaged and the most disadvantaged micro regions.

In charge: Minister of Health
Minister of Local Government and Regional Development

Deadline: for the launch of the programs: 31 July 2008

Source: according to the Action Plan of the relevant Operational Program of the New Hungary Development Plan

4. In order to develop the lifestyle and health saving competences of those living in municipalities, the most disadvantaged micro regions and in segregated settlements, programs should be launched by involving at least ten civil organizations representing disadvantaged groups.

In charge: Minister of Health
Minister of Environment and Water
Minister of Local Government and Regional Development

Deadline: for the launch of the programs: 31 July 2008

Source: according to the Action Plan of the relevant Operational Program of the New Hungary Development Plan

5. For the complex survey of the development of children of 0 to 7 years of age, state surveying data sheets, procedural and care protocols, including publications for parents of children with linguistic and comprehension problems, should be developed in order to promote early recognition and access to assistance services.

In charge: Minister of Health
Minister of Local Government and Regional Development

Deadline: 31 December 2008

Source: according to the Action Plan of the relevant Operational Program of the New Hungary Development Plan

6. In the field of health care, employment incentive programs should be launched supporting the employment of Roma in professions where human resources are scarce. The proportion of Roma should reach 3 to 5% on average in such professions.

In charge: Minister of Health
Minister of Local Government and Regional Development

Deadline: 31 December 2009

Source: according to the Action Plan of the relevant Operational Program of the New Hungary Development Plan

7. In order to reach target groups not attending organized public health examinations or showing a very low participation tendency only, and to promote participation at examinations, the involvement of the opinion-makers (representatives of Roma minority self-governments, Roma social organizations), decision-makers and the employees of basic health care of at least twenty municipalities located in one of the most disadvantaged micro regions should be involved in the so-called sensitivisation trainings being part of the national communication campaign.

In charge: Minister of Health
Minister of Local Government and Regional Development

Deadline: for the launch of the programs: 31 March 2008

Source: according to the Action Plan of the relevant Operational Program of the New Hungary Development Plan

8. In order to promote equal access to healthcare services, the number of permanently vacant districts should be reduced by motivating and supporting programs in the field of basic health care (general practitioner's service).

In charge: Minister of Health
Minister of Local Government and Regional Development

Deadline: for the launch of the programs: 30 June 2008

Source: according to the Action Plan of the relevant Operational Program of the New Hungary Development Plan

9. In order to improve regional inequalities of specialized health care, that is (to realize specialized outpatient care centers being within 20 km and/or 25 minutes) specialized outpatient care should be supported in micro regions where specialized care financed by the state is presently missing and where the population of the micro region cannot be considered as cared for according to the quantity and the professional composition of eventual sparse publicly funded care.

In charge: Minister of Health
Minister of Local Government and Regional Development

Deadline: for the launch of the programs: 1 January 2008

Source: according to the Action Plan of the relevant Operational Program of the New Hungary Development Plan

10. A program should be launched for the sensomotoric maturity state survey of Roma and multiplied disadvantaged children between 5 and 7 years, for the development of children failing the examination and for the training of teachers taking care of them.

In charge: Minister of Health

Deadline: for the launch of the programs: 2008 June 2005

Source: in the framework of the Public Health Program

V. Tasks relating to the promotion of mainstreaming of equal treatment and anti-discrimination

1. The Roma Antidiscrimination Customer Service Network should be developed by the professional training of lawyers contributing to the work of the Network and by adding fifty more premises to the customer service points.

In charge: Minister of Justice and Law Enforcement

Deadline: 31 December 2009

Source: the chapter allocated to the Ministry of Justice and Law Enforcement of the annual central budgets

2. By involving right protection civil activists (with a special regard to organizations representing Roma women) and Roma minority self-governments, an antidiscrimination alarming system for exploring cases violating the prohibition of discrimination should be established and / or further development of already existing initiatives should be supported, so that these be known by the Equal Treatment Authority in the greatest possible number. In the field of education, seven regional centers should be operated in order to explore and treat discrimination phenomena. For of Roma civil organizations and Roma minority self-governments, the support necessary for the above operation should be ensured.

In charge: Minister of Social Affairs and Labour
Minister of Education and Culture
Minister of Health
the Minister in charge of the Prime Minister's Office
Minister of Local Government and Regional Development

Deadline: 31 December 2008

Source: according to the Action Plan of the relevant Operational Program of the New Hungary Development Plan and the annual central budgets

3. The antidiscrimination activities of right protection, conflict settlement and crisis treatment offices established by Roma civil organizations should be supported.

In charge: Minister of Social Affairs and Labour
Minister of Local Government and Regional Development

Deadline: 31 December 2009

Source: according to the Action Plan of the relevant Operational Program of the New Hungary Development Plan

4. The Equal Treatment Authority operates customer services at the House of Opportunities Network in order to promote a more efficient action against discrimination suffered by Roma and more widespread information.

In charge: Minister of Social Affairs and Labour
Minister of Local Government and Regional Development

Deadline: for the starting of the operation: 30 June 2008

Source: according to the Action Plan of the relevant Operational Program of the New Hungary Development Plan

5. The Equal Treatment Authority's participation in Equinet, an organization involving the anti-discrimination committees and authorities of the Member States of the European Union should be reinforced. Cooperation should be established with the Fundamental Rights Agency (FRA) of the European Union.

In charge: Minister of Social Affairs and Labour
Minister of Local Government and Regional Development

Deadline: 31 December 2008

Source: according to the Action Plan of the relevant Operational Program of the New Hungary Development Plan

VI. Tasks relating to culture, media and sports

1. By implementing eight programs, the regular sports opportunities of at least two thousand disadvantaged children and young persons should be supported, with a special regard to children receiving child protection care or living in children's homes.

In charge: Minister of Local Government and Regional Development
Minister of Social Affairs and Labour

Deadline: continuous

Source: the chapter allocated to the Ministry of Local Government and Regional Development of the annual central budgets

2. By launching age group programs, and especially in the framework of Champion and Star Program of the National Junior Institute, minimum fifty talented Roma children and young people should be supported in their participation in top sports.

In charge: Minister of Local Government and Regional Development

Deadline: continuous

Source: the chapter allocated to the Ministry of Local Government and Regional Development of the annual central budgets

3. Programs and campaigns presenting the life of Roma people in an authentic way and those against discrimination as well as the training and employment of Roma program-makers and journalists should be promoted.

In charge: Minister of Social Affairs and Labour
Minister of Local Government and Regional Development

Deadline: continuous as from the 1st half of 2008

Source: according to the Action Plan of the relevant Operational Program of the New Hungary Development Plan

4. In order to present Roma culture in Hungary and in Europe in a proper way, the establishment and funding of a national Roma cultural centre operating under the responsibility of the state, appropriate for being a scene of arts and traditional groups, creative workshops, trainings, theatrical programs, concerts, festival programs, musical events, conferences, where a museum, a research centre and a professional workshop can be established has to be prepared.

In charge: Minister of Education and Culture
the Minister in charge of the Prime Minister's Office

Deadline: 31 December 2008

Source: the chapter allocated to the Ministry of Education and Culture of the annual central budgets

5. In order to preserve Roma culture, Roma objects of artistic value in the institutional system of public culture should be digitalized and catalogued in cooperation with the National Roma Self-government.

In charge: Minister of Education and Culture
Minister of Local Government and Regional Development

Deadline: 31 December 2009

Source: according to the Action Plan of the relevant Operational Program of the New Hungary Development Plan

6. In order to have the assets of Roma culture widely known both at national and local level, a special attention should be paid to the presentation of Roma culture during the organization of exhibitions and cultural events and the preparation of documentary movies in Hungary, in the international scene, activities of Roma minority self-governments as well as civil organizations aiming at these should be supported.

In charge: Minister of Education and Culture
Minister of Local Government and Regional Development

Deadline: 31 December 2009

Forrás: according to the Action Plan of the relevant Operational Program of the New Hungary Development Plan

7. The conditions for extending the scope of the European Charter for Regional or Minority Languages of the Council of Europe to Romani and Beas languages should be ensured.

In charge: the Minister in charge of the Prime Minister's Office
Minister of Education and Culture
Minister of Justice and Law Enforcement

Deadline: 31 December 2008

Source: no substantial resource is needed

VII Closing provisions

1. The Government hereby calls the Ministers affected to mainstream the horizontal policy aspects and support policy based on the principle of equal opportunities when implementing tasks foreseen in the fields of education, employment, housing, health care and culture and to prepare a guideline on equal opportunities and on anti-segregation.

In charge: Ministers concerned

Deadline: 30 June 2008

2. The Government hereby calls the Ministers affected to submit a report on the actual situation of tasks laid down in the biannual action plan to the Roma Integration Council. Reports should also present the way Roma civil organizations and the National Roma Self-government were involved in the preparation and implementation of tasks laid down in the action plan and in the monitoring work performed along the indicators referred to in the Strategic Plan.

In charge: Ministers concerned

Deadline: 30 June and 31 December in each year

3. For Roma civil organizations and Roma minority self-governments of the most disadvantaged micro regions, tender counseling trainings and communication programs should be launched so that small and medium sized enterprises and civil organizations operating in the most disadvantaged micro regions be able to reach the tender announced in the frame of New Hungary Development Program in an efficient way.

In charge: Minister of Local Government and Regional Development, by involving the Ministers affected

Deadline: for the launch of the trainings and of the communication program, 31 December 2008

Source: according to the Action Plan of the relevant Operational Program of the New Hungary Development Plan and the annual central budgets

4. Within the framework of the Roma Integration Council, the so-called Roma Steering and Monitoring Committee should be established, primarily with the cooperation of the civil representatives of the Council. As to the procedure, working plan and funding of the Committee, a proposal should be submitted.

In charge: the Minister of Social Affairs and Labour, by involving the Ministers affected

Deadline: 31 March 2008

5. In order to facilitate the fulfillment of the reporting requirement as laid down in point 2 of Resolution 68/2007 (VI. 28.) OGY of the Parliament on the Decade of the Roma Integration Program Strategic Plan, in accordance with indicators as referred to in the Strategic Plan and with the cooperation of the Roma Integration Council as well as the Roma Steering and Monitoring Committee operating under the auspices of the latter, a monitoring system should be elaborated.

In charge: the Minister of Social Affairs and Labour, by involving the Ministers affected

Deadline: for the elaboration of the monitoring system: 31 December 2008

6. This decision shall enter into force on the day of its publication, and, parallel to this,
a) Decision 1021/2004. (III. 18.) Korm. of the Government on the Government program for facilitating the social inclusion of the Roma and on related measures and Decision 1020/2005. (III. 10.) Korm. amending it;
b) Decision 1042/2007. (VI. 28.) Korm. on the tasks of the Government resulting from the Decision 68/2007. (VI. 28.) OGY of the Parliament on the Decade of the Roma Integration Program Strategic Plan

is hereby repealed.
